OUR MISSION

Our mission is to create a new generation of the Egyptian Youth leaders (18- 30) years Old in Social Innovation and Social Entrepreneurship with different backgrounds and career fields. Through making workshops at national and international levels such as Erasmus KA1 and KA2 in 5 Years.

OUR VISION

Our vision is promoting the creation of new opportunities for developing society through strengthening the knowledge of its individuals by using youth Leadership, Youths Social Entrepreneurship, and Social Innovation.

WHAT ARE WE LOOKING FOR?

At Jovesolides Egypt we don't only align our projects towards achieving SDGs from different aspects, but on top of our priorities is to launch projects to spread awareness about SDGs from Virtual Exchange programs to local workshops aiming to connect MENA-Worldwide youth for exchanging knowledge and experience from their own cultures, backgrounds and challenges in order to foster links for effective solutions.

We are promoting several of the specific priority areas where now the Middle East and Africa is paying special attention as youth employment, youth leadership, social integration and social inclusion for minorities and disadvantaged people, social innovation, and Social entrepreneurship. Those would be our main areas of intervention where we are searching for potential partners and offering ourselves as a strategic partner as well.

We want to strengthen Middle East, Africa and European networks with organizations that are focusing on similar issues, in order to share experiences, design and develop interesting and productive social projects and promote social integration and social innovation to empower society.

We offer our organization as a partner and want to find new organizations that want to be our partners in future projects that are connected to

WHAT WE CAN OFFER

EVS EGYPT **EVS EGYPT**

- We started as an initiative to increase the awareness of the opportunities provided by Erasmus+ to Egyptians and South-Mediterranean countries. EVS Egypt is the reason behind creating Jovesolides Egypt as an official entity to create a new Erasmus projects for Egyptians by ourselves instead of just promoting it.
- EVS Egypt is Launched in 2014 with more than 14,000 members around the Arabic world.

OUR PROJECTS & ACTIVITIES

ERASMUS DAY FESTIVAL 2019 & 2020

- Jovesolides Egypt hosted Erasmus day festivals for the first time in Egypt & Middle East. #ErasmusDays is an intercultural exchange event to open the door for interested Egyptian and Arab young people who are willing to know more about Erasmus+ programs. and that by inviting people who had the chance to participate in different Erasmus+ projects, for sharing experience, how to find similar opportunities and much more to network and build connections for future support for each other.

We were the first and only Entity that organized celebration of the #ErasmusDays Festival in the MENA region in 2019.

OUR PROJECTS & ACTIVITIES

VIRTUAL EXCHANGE EXPERIENCE

- We are proud to be one of the first NGOs to participate in coordinating the Erasmus+ Virtual Exchange in the MENA region. Continuing for 6 semesters now with impact for more than 150 participants from around the Arab World via our cooperation with Soliya and Sharing Perspective Foundation. Many topics have been discussed throughout various programs like Intercultural Exchange, Migration, Sustainability and Climate Change.
- Successfully implemented the first Middle East-based virtual cultural exchange program. SDGs VirtualXchange is a cultural exchange program by Jovesolides Egypt and MENA Hacks in memory of two of our greatest leaders, Nelson Mandela & Kofi Annan. The purpose of this program is to help youths globally think of the challenges facing sustainable development goals, how to overcome them, and how to achieve the global SDGs."
- In the light of the current COVID-19 crisis the world is experiencing, travel has become more difficult than ever with travel bans and restrictions in place. Therefore, it is of immense importance that we harness the power of technology and embrace the tools of the digital age.
