To Whom it may concern,

I met Dr **Hugo Filipe Rodrigues Paquete** when he became a student in the Doctoral Programme in Digital Media Arts. I had the opportunity to observe his potential and capacity to work and innovate, following closely the several projects he developed in sound art and electronic music adopting principles of practice-based research.

During his academic journey in the doctoral programme, Dr **Hugo Paquete** has demonstrated great perseverance, initiative, and a high level of creativity to meet the challenges that emerged along the way. His project-oriented approach revealed his entrepreneurial skills as a multifaceted manager able to design, raise funding and implement artistic projects for several cultural stakeholders in Portugal and Europe.

I highly recommend Dr **Paquete** for any position or endeavour that he may seek to pursue in art, culture, teaching or management. He will be an invaluable contributor to any organisation.

I am available for any clarification by e-mail or Phone (aderito.marcos@usj.edu.mo and +853 8592 5668)

Yours
sincerely,

Adérito Fernandes Marcos, Aggreg., PhD
